Public notification requirement

You are advised that it has been determined that the above assessment application requires notification under the RPI Act, Part 3, Division 4. The reason for the decision is that the delegate for the chief executive has determined that it is in the public interest for the application to be publicly notified.

Section 35 of the RPI Act requires the applicant to publish a notice about the assessment application in the way prescribed in section 13 of the *Regional Planning Interests Regulation 2014* (RPI Regulation) and give the owners¹ of the land notice about the application.

Notification must commence within 20 business days of the date of this letter. The notification period is 15 business days.

The approved form for notification is available on the department's website here: <https://planning.dsdmip.qld.gov.au/planning/regional-planning-interests-act>

Refer to RPI Act Statutory Guideline 06/14 Notification requirements under the RPI Act for further information.

Information Requirement

Pursuant to section 44 of the RPI Act, you are advised that further information is required in order to assess the application against the assessment criteria contained in Schedule 2, Part 5 of the RPI Regulation. The additional information required is detailed within **Attachment A**.

The period in which you must provide the requested information is a maximum of 12 months from the day you receive this notice. You may request an extension to this period if necessary.

If you require any further information, or have any queries relating to the information sought, please contact Morag Elliott, Development Assessment Division on 3452 7653 who will be pleased to assist.

¹ *Owner* of land is defined in the RPI Act and means the person who is entitled to receive rent for the land, or the lessee of a lease issued under the *Land Act 1994* for agricultural, grazing or pastoral purposes.

Yours sincerely

Phil Joyce
