Dear Sir / Madam,

Please find attached an assessment for a regional interests development approval (RIDA) under the *Regional Planning Interests Act 2014* (RPI Act). This application is of an administrative nature. It seeks only to authorise operation of the Aztec 1 gas flowline (Petroleum Pipeline Licence 2046 (PPL 2046)) on Lot 1 in Plan SP133822 within the Channel Country SEA. The Aztec pipeline commences in Authority to Prospect (ATP) 1189, running south into Okotoko 1 well in Petroleum Lease (PL) 82, via PL 83. The Aztec 1 gas flowline is essential to initially production test, then should the PL application be granted over the Aztec 1 well, commercialise the hydrocarbon resource from the Aztec 1 well.

The application includes the following information:

- Attachment 1 – Regional Planning Interests Act 2014 Assessment Application Form
- Attachment 2 – Current State Tenure Title Search (Lot 1 on Plan SP133822)
- Attachment 3 – PPL 2046 Resource Authority Public Report
- Attachment 4 – RIDA Assessment Report
- Attachment 5 – GIS Files

Please do not hesitate to contact Jodie Spencer on (07) 3838 3182 or jodie.spencer@santos.com should you have any queries.

Yours sincerely,
