Dear Ms Spencer

RPI20/002 Santos – Wippo South 2

Requirement Notice (*Regional Planning Interests Act, s44*)

I refer to the assessment application which was properly made on 26 February 2020 under section 29 of the *Regional Planning Interests Act 2014* (RPI Act). The application is seeking a regional interests development approval (RIDA) to authorise the operation of resource activities: petroleum and gas for the Wippo South 2 gas flowline in the Channel Country Strategic Environmental Area – designated precinct (Channel Country SEA).

Applicant Santos Limited ABN 80 007 550 923

Project Wippo South 2

Site Details

Real property description Lot 1 on SP133822

Local government area Quilpie Shire Council

Public notification requirement

It has been determined that the application does not require public notification.

Information Requirement

Pursuant to section 44 of the RPI Act, you are advised that further information is required in order to assess the application against the assessment criteria contained in Schedule 2, Part 5 of the RPI Regulation.

The additional information required is detailed in **Attachment A**.

The period in which you must provide the requested information is a maximum of three months from the date of this notice. You may request an extension to this period if necessary.

If you require any further information, or have any queries, please contact Morag Elliott, Development Assessment Division on 3452 7653 who will be pleased to assist.

Yours sincerely

Phil Joyce

Director

Development Assessment Division

ATTACHMENT A

Information required for assessment against the criteria in Schedule 2, Part 5 of the RPI Regulation:

1.	<p><u>Issue:</u></p> <p>The Assessment Application Form and the Regional Interests Development Application Assessment Report (Assessment Report) state that the resource activities are located on Lot 1 SP133822.</p> <p>Figures 1 - 4 of the Assessment Report include Lot 1 SP133822 as well as Lot F SP171545 and Lot N SP145126.</p> <p><u>Action:</u></p> <p>Confirm the lots on which the resource activities are to be located and amend figures and documents accordingly, as required.</p>
2.	<p><u>Issue:</u></p> <p>Figure 1 of the Assessment Report shows the location of the resource activities but does not demonstrate their location in the Channel Country SEA. It is hence difficult to determine the areas of the Channel Country SEA impacted by the resource activities.</p> <p><u>Action:</u></p> <p>Amend Figure 1 to include the SEA.</p>
