9. Use and Disclosure of Information Statement

The information is collected in accordance with the RPI Act and will be used by Queensland Government Agencies for the processing and assessment of your assessment application, and may involve the chief executive:

1. and other officers of the Department of State Development, Manufacturing, Infrastructure and Planning (DSDMIP), and any consultants engaged by or on behalf of the chief executive, reviewing the information provided for the purpose of considering and assessing your assessment application
2. providing a copy of the assessment application to relevant Queensland Government Agencies prescribed as assessing agencies for the assessment application (including the local government), the Gasfields Commission or any person asked to provide advice or comment on the assessment application.

The assessment application and the accompanying report will also be made publicly available on the DSDMIP website from the time the assessment application is made until the time it lapses or is withdrawn. If the application is decided, the same material will also be publicly available until the end of the last period during which an appeal may be made against the decision. However, information will not be made publicly available on the DSDMIP website to the extent that it is provided by an owner of land (as defined in schedule 1 to the RPI Act) (an *owner*) who is not the applicant, and is commercial-in-confidence or personal information, and that owner has not consented to its disclosure, or to the extent that it is information which is considered to be sensitive security information.

Where an application proposes a resource or regulated activity in a priority agricultural area (PAA) and the applicant is required to provide information about the productive capacity or operation of a priority agricultural land use to address the prescribed solutions in the Regional Planning Interests Regulation 2014 (Schedule 2, Part 2), the information is to be provided in a separate document. The document is to be attached as an appendix to the assessment application report. The application must:

- identify the source of the information provided, including whether the information was provided by an owner other than the applicant
- state whether an owner other than the applicant agrees to the information being made publicly available on the DSDMIP website; and if so
 - provide the express written agreement of that owner to the information being made publicly available on the DSDMIP website.

If an owner, other than the applicant, does not provide express written agreement, the information will not be made available on the DSDMIP website with the other application information. The applicant may also be required to publicly notify the application. A notice about the chief executive's decision relating to the application will also be publicly notified.

The personal details of applicants will not be disclosed for a purpose outside this assessment process, except where required by legislation (including the *Right to Information Act 2009*). This information may be stored in a database by DILGP.

The information collected will be retained as required by the *Public Records Act 2002*.

10. Declaration

This declaration needs to be made by the individual applicant or, when the applicant is a company, an authorised person or persons who have the authority to act on behalf of that company in accordance with the Corporations Act 2001 (Cth).

Where the declaration is made by a person who is authorised in writing to make that declaration on behalf of the company, evidence of that authorisation must accompany the application.

- By making this application, I declare that all the information in this application is true and correct and that I have read and understood the 'Use and Disclosure of Information statement' on this form.
