Dear Mr Cabrera

DECISION NOTICE

RPI21/032 TEC Coal – Meandu Mine King 2 East

(Given under section 51 of the Regional Planning Interests Act 2014 (RPI Act))

The Department of State Development, Infrastructure, Local Government and Planning (DSDILGP) advises that the application made on 3 November 2021 for a regional interests development approval for resource activity: mining and other resource activities for the TEC Coal Meandu Mine King 2 East 2 project in the priority agricultural area (PAA) has been approved. The site is described as Lot 289 FTY1859.

Assessing Agencies

Agency	Area of regional interest
Department of Agriculture and Fisheries	Priority agricultural area

Reasons for the decision

DSDILGP has determined that the resource activities meet the required outcome for the PAA assessment criteria, as it will not result in a material impact on the use of the property for a priority agricultural land use.

The attached Regional Interests Development Approval confirms the nature and extent of the resource activity the subject of this approval. Conditions include matters relating to the location and maintaining of the resource activities, ensuring the disturbance of land does not impact on priority agricultural land uses in the PAA, the recording of complaints received and the provision of these complaints to the chief executive.

Appeals

- The period in which any appeal under Part 5 of the RPI Act must be started is set out in **Attachment 1**.
- How rights of appeal under Part 5 of the RPI Act are to be exercised are set out in **Attachment 1**.
