DECISION NOTICE

RPI17-002 Santos Limited – Zeus Project

(Given under the *Regional Planning Interests Act 2014* section 51)

The Department of Infrastructure, Local Government and Planning (DILGP) advises that the assessment application that was made on 3 February 2017 for petroleum production and associated activities over Lot 1 SP209773 has been approved, subject to regional interests conditions.

Reasons for the decision

DILGP considers that by imposing conditions, the proposed activity meets the applicable Required Outcome in the Strategic Environmental Area assessment criteria in Schedule 2, Part 5, section 15 of the Regional Planning Interests Regulation.

The authorised delegate of the Chief Executive considers that by imposing mitigation conditions, the impacts from the approved activities in the strategic environmental area will be appropriately managed.
