

MINISTERIAL DIRECTION TO THE REDLAND CITY COUNCIL UNDER SECTION 26 OF THE *PLANNING ACT 2016*

I direct, in accordance with section 26 of the *Planning Act 2016*, the Redland City Council (the council) to:

- write to landowners in the Southern Thornlands area (the relevant landowners), shown in Figure 1 of the Project Plan dated September 2019 and included with the letter to me dated 23 October 2019, by 29 July 2020 informing them of your investigation, enclosing the Project Plan and asking for views by 14 August 2020 and inviting them to a landowner forum about the investigation
- between 31 July 2020 and 11 August 2020 hold a forum with landowners, in a manner that is consistent with the Queensland Government's COVID-19 restrictions in effect at the time, providing an update of the investigations completed to date and granting participants an opportunity to ask questions at the forum
- complete the investigation of the Southern Thornlands Potential Future Growth Area as required by the South East Queensland Regional Plan 2017 titled *ShapingSEQ* dated August 2017, at paragraph 14 on page 114, by 16 September 2020
- provide a written report to me with respect to the investigation (the investigation report), by 25 September 2020
- the investigation report is to be accompanied by a statement from the council that identifies how the council has responded to landowner views, whether the council considers any amendments should be made to the *Redland City Plan 2018* as a result of the investigation, and the reasons for the council's position on this.

Dated this 23rd day of July 2020
